

St Mary's Toddler Group Terms and Conditions

Please read and agree to the following terms and conditions.

Our Toddler Group is aimed primarily at Toddlers aged 1-2 years old and their parents/carers, but can also accommodate babies, and some older children, especially if siblings are visiting together. We do not register new children who are already 3 years old. We are not able to cater for any children aged 4 and above.

We are open on Monday each week during term time between 9.30 and 10:45am inside the main church building, accessed via the main door, adjacent to the car park.

Each session is £2 for the first child, then 50p for each additional child. We ask that you do not bring more than 2 children per adult, unless they are siblings. Please contact us if this causes any issues or concerns.

We like to ensure that every group member feels relaxed, supported, safe and secure, and that they have fun while we are here. For this reason, we have a maximum number limit of 25 children.

Spaces are in demand for our Toddler Group. If you do not attend for three weeks in a row without prior notice, we may offer your place to another family on the waiting list.

Your child's safety and the way they relate to and play with other children, are your responsibility. Please supervise them closely during the session.

Take care of and encourage your children to look after the church building, the equipment and each other, and take care with food and drinks, buggies and belongings.

Please no food or drinks during the session, except for the refreshments provided (plus breast/bottle feeding for infants).

In order to help prevent the risk of the spread of infectious diseases, such as, but not limited to, coronavirus (COVID-19) there may be measures in place to which you may be asked to adhere. These could include encouraging washing or sanitising hands, and the wearing of face coverings for adults.

Please bring only healthy children to the Toddler Group. You and your child should remain at home if they or you have had a fever, vomited, or had diarrhoea within the past 48 hours or are exhibiting contagious cold symptoms (usually during the first few days of a cold) or any symptoms of COVID-19.

We reserve the right to refuse admittance to the session if we feel that the child or adult is too ill to participate.

From time to time we may request to take photographs or shoot video during sessions to use for marketing and promotional purposes, which may include, but is not limited to, use on social media, promotional materials or our website. You will be asked at or prior to the first session, whenever this takes places, whether or not you consent to being included in these images or footage and images and usage will be in relation to our privacy policy that can be found on our website here: <https://www.stmarysm Monkseaton.org.uk/dataprivacy>.

Where images are used in this way no additional personal information or names will be linked to them, unless specific additional permission is sought from the individuals involved. We are happy for you to take photographs of your own child.

If you wish for another child to be in the picture, please seek permission from the adult accompanying that child before taking pictures.

We reserve the right to amend membership of the Toddler Group.

We reserve the right to update the terms and conditions.
